Requests Granted

By Supervisor Ammiano, that letter be sent to Pacific Gas and Electric Company to inquire and receive clarification and an update about current security measures to deal with the recent case involving a PG&E employee possession and storing explosive ammonia nitrate materials within PG&E owned facilities.

By Supervisor Ammiano, that letter be sent to his Honor, Mayor Willie L. Brown, Jr. urging him to communicate with Union Square Merchants the need to devise strategies to provide entertainment and other interactive events at Union Square.

By Supervisor Bierman, that City Attorney prepare ordinance amending the Subdivision Code which applies to any owner of less than fifty percent interest in a property containing three or more units who became an owner of record after January 1, 1998. In such instance, no unit in the property which was used as a residential rental unit after January 1, 1998, shall be used for any non-rental use unless such use has been authorized as a conditional use under Section 303 of the Planning Code. When considering whether to grant a conditional use permit for non-rental use, in lieu of the criteria set forth in Planning Code Section 303, consideration shall be given to the adverse impact on the supply of rental housing in the City and to any unreasonable hardship to the applicant if the permit is denied. This section shall not apply so long as the vacancy rate for residential rental property in San Francisco is greater than five percent (5%). This Section does not supersede any other law which regulates the use of the property, nor does this Section require an owner to rent or offer to rent any unit.

By Supervisors Teng, Newsom that letters be sent to the Mayor's Budget Director and the Director, Public Transportation, stating that it was the intent of the Finance Committee to reserve the entire \$888,182 in incentives for Municipal Railway's Booz Allen Hamilton contract and inquires whether the additional \$649,056 can be reserved so that Muni will have to return to Finance Committee for the release of this amount upon successful completion of this contract. This letter also confirms the intention of the Finance Committee to put on reserve the proposed incentive for Muni's Booz Allen Hamilton contract for the 1999 budget. That proposed incentive will not be released without prior Board approval.

By Supervisors Yaki, Newsom, Brown that City Attorney draft ordinance prohibiting the sale of laser pointers to minors under the age of 18.

Requests Granted

By Supervisor Katz, that letter be sent to the Director, Department of Telecommunication and Information Services, requesting the department develop a City position, response and strategy on cable rate increases.

By Supervisors Newsom, Katz, that letter be sent to the Director, Department of Public Health, asking for an update on its plan to move six substance abuse treatment beds from San Francisco General Hospital to a community-based facility and in collaboration with the Sheriff's Department give substance abuse offenders an option to go to treatment rather than to jail.

By Supervisor Newsom, that letter be sent to the Director, Department of Public Health, asking what the department is doing to regulate acupuncture treatments to drug addicts in Hunters Point through the Bayview Hunters Point Foundation for Community Improvement, to ensure that persons treated through this city contract are enrolled in any substance abuse program, as required and that the Foundation is keeping patient files.

By Supervisor Teng, that letter be sent to the Public Utilities Commission and the General Manager, Recreation and Park Department, requesting report to the Board of Supervisors on the condition of Lake Merced and the steps that are being taken to address problems including: low water levels, decreased shoreline access and poor maintenance of grounds, bathrooms, boating area and docks.

By Supervisor Teng, that the Legislative Analyst be requested to provide policy analysis on models on liquor license controls.

By Supervisor Teng, that letter be sent to the California Department of Alcoholic Beverage Control clarifying the following with respect to the Inner Sunset Liquor License Moratorium passed by the Board of Supervisors in 1997 and renewed in September 1998: (1) the scope and the intent of the Inner Sunset Liquor License Moratorium was to prohibit the issuance of new liquor licenses in that area. Exempt from the moratorium are active licenses which are purchased for use in the same location. If the seller of the license never opened for business, under the moratorium the license is not deemed active. (2) With respect to the application for an On Sale Beer and Wine License at 822 Irving Street, the Board of Supervisors concurs with the recommendation of Captain Michael Yalon of the San Francisco Police Department that the request for a license be denied because it does not involve the transfer of an active license. (3) The Board further requests that the Department of Alcoholic Beverage Control deny the subject license for the foregoing reasons.

By Supervisor Yaki, that letter be sent to the City Attorney requesting a formal City Attorney opinion addressing the legitimate uses of the funds passed by the voters in the 1998 special election in the following options: (1) stadium/mall; (2) stadium/no mall; (3) stadium/reduced scale mall.

By Supervisor Yaki, that letter be sent to the San Francisco Forty Niners requesting their presence when the hearing to consider the Forty-Niner stadium project is scheduled by the Transportation and Land Use Committee. File 990562.

By Supervisor Yee, that letter be sent to the City Attorney requesting research on the following issues: (1) legality of legislation and to draft such legislation if appropriate, which would require conditional use authorization for retail and restaurant (including full-service, large fast food, small self-service) uses over 2,500 square feet in all areas of San Francisco which permit retail and restaurant uses; (2) legality of legislation and to draft such legislation if appropriate, which would require conditional use authorization for retail and restaurant uses in which the operator's headquarters are not located in the Bay Area and whose operators already have three or more sites in San Francisco; (3) the ability the City has to apply the above conditional use requirements to existing sites at the point of change of operator to a new operator of the same use category. If legal, the conditional use at point of operator change should be included in the legislation. If this is not possible to enact immediately, is it possible to enact after an amortization period? What is the shortest time such an amortization period could be? (4) amend the Planning Code to shorten the abandonment period in all places it is three years to one year.
